

New year, new mail service for you.

Hello. Getting prescriptions delivered to your doorstep is convenient and easy, and we want to make sure that you continue to get your prescriptions where and when you need them. Beginning Jan. 1, 2016, CVS/caremark® will be your new prescription benefit manager and mail service provider.

On Jan. 1, 2016, go to www.caremark.com to register for mail service. With your new account, you will have access to online tools that will help you get the most from mail service.

Managing your prescriptions by mail has never been easier. We're always here to answer any questions you may have. Call CVS/caremark Customer Care toll-free at **1-866-611-5961** or visit us online at **caremark.com**.

Sincerely,
Your Customer Care Team
